PETITIONS OFFICE

Dear Sir:

This Request for Reconsideration of Petition under 37 C.F.R. § 1.47(a) is in response to the Decision Refusing Status Under 37 C.F.R. § 1.47(a), Paper No. 8, mailed on July 23, 2002, by the Office of Petitions.

In the Decision Refusing Status Under 37 C.F.R. § 1.47(a), the Office of Petitions indicated that additional efforts needed to be demonstrated to illustrate diligent effort in obtaining inventor Greg Boyer's ("Boyer") signature on the Declaration for Utility Patent Application. A telephone call was made to the Office of Petitions to inquire as to the measures necessary in obtaining the signature of Boyer. The Office of Petitions suggested that either an electronic search via Internet for Boyer's current address be initiated or additional searches using Lexis Nexis, etc. be performed. Although an electronic search was not conducted during the initial attempts to locate

Application No.: 09/938,328

Docket No.: 426882000600

Boyer, necessary steps have now been taken to obtain a current address and/or telephone number for Boyer.

This office conducted an internet search to locate Boyer and have since learned of his current address and telephone number. Contact was eventually made with inventor Boyer, and Boyer has now executed the Declaration for Utility Patent Application (attached).

Based upon this executed Declaration, it is believed that this Request for Reconsideration meets the requirements of the Notice to File Missing Parts of Application dated September 26, 2001. Applicants respectfully request the Decision Refusing Status Under 37 C.F.R. § 1.47(a) be withdrawn.

The Assistant Commissioner is hereby authorized to charge any fees that may be required by this Request for Reconsideration, or to credit any overpayment to Deposit Account No. 03-1952 referencing docket number 426882000600.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Petitioner further petitions for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-952 referencing docket number 426882000600.

Dated: July 21, 2003
